## Group Scenario Carousel Debrief

As you view each of the posters please respond to the following.

1. What was the most common “Litmus Test” for decisions?
2. What was a unique “Litmus Test” for decisions?
3. Any group have to compromise to reach a decision? If yes, which scenario was it. If no, why do you think no one had to compromise?
4. Which decision (made by others) surprised you the most and why?
